SAID IN CYPRESS

By Newsy

We have little Dutch children neighbors who must be intensely patriotic. Each weekend they bring us a lovely bouquet of sweet peas. The colors—? Red, white and blue ones, of course.

* * *

Members of the decorating committee for the VFW post and auxiliary ceremonies at the school Thursday evening had red, white and blue flowers, too, which they used in their decorations around the utility room and in the sewing room where refreshments were served. Since they are a patriotic organization, these colors were a natural. The flowers? Calla lilies. Red and blue colors, you say? Yes—intense red and blues, hand painted on the lilies! A striking display.

* * *

A most peculiar coincidence occured recently when Mrs. Earl Essex attended the funeral of her aunt in Santa Paula. The minister, long-time friend of the family's, attempted to console and comfort them, likening the mother who had died to his own mother, whom he loved. As the funeral service began, and the casket was put in place, relatives were told later that at the same time the body of the minister's mother was brought into another part of the mortuary, death having occurred a little while before. But the minister declined to neglect his obligation, and carried on as planned.

* * *

We mourn with the family the passing of Mrs. Sarah E. Miller last Sunday morning, at the age of 83 years. She once held the interest of her readers through the columns of this newspaper, and led a useful, active life in her community through the long years.

It was an honor and a privilege to have known such a one.

Lodge Plans Talent Show At Schoolhouse

Cypress Busy Bee Rebekah Lodge has planned program to raise money for a fund to be presented to the Cypress volunteer fire department, which is planning to purchase a rescue wagon for community use.

Mrs. Earl Essex announced this week that the first event to which the public is invited will be a talent show. Three different schools will participate, in addition to numbers which will be presented by local residents who have proved popular in similar performances here in the past. The show is scheduled for May 16 in the school auditorium.

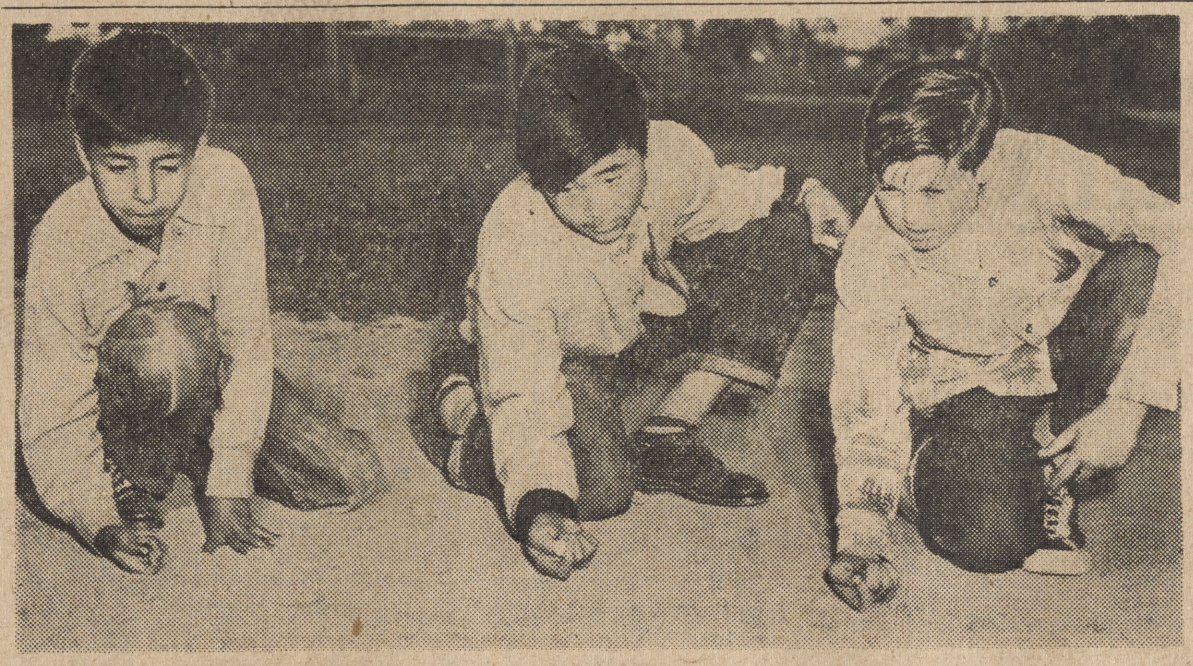
On May 24 the second of the money-making affairs will take place at the fire hall. This will be a square dance, and all who are interested are cordially invited to attend. The lodge plans for good music and a good time.

Pioneer's Rites Held Tuesday

Thomas R. Morris, 69, who had lived at 6840 Crescent avenue for the past 48 years, passed away last week. A native of Frankfort, Kentucky, he was a well known rancher in the Cypress area, where he served as deacon in the Baptist church.

Mr. Morris is survived by his wife, Juliet, three daughters, Mrs. Virginia Birkinshaw, Mrs. Marian Riddlebarger, and Miss Lue Morris all of Buena Park, and several grand children, here and elsewhere.

Rev. Jack Tutor, pastor of the Baptist Church of Cypress officiated at the funeral service held Tuesday at 2 p.m. in the chapel of Backs, Campbell and Kaulbars, Anaheim. Interment was in Loma Vista Memorial Park.



PROVING THAT MARBLES ARE SERIOUS BUSINESS, the three boys knuckle down, ready to show the form which proclaimed them winners in the VFW-sponsored contest at Centralia school. Taka Tanaka, center, Cypress seventh grader was winner. Odell Pardue, on the right, a sixth grade student in the Cypress school was second. Joe Quevas, Centralia sixth grader, was third place winner.

Native Daughter 83 Years, Mother Of Former Publisher Passes Away

Mrs. Sarah Elizabeth Miller passed away at the Los Alamitos Sanitorium Sunday, April 27, at 9:00 a.m. She was injured in an automobile collision March 18, 1951 and never recovered from the shock. A major operation also contributed to the illness which resulted in her passing. She had been a resident of the Cypress community for fifty-two years.

Sarah Elizabeth Hudson was born in Los Angeles county near Downey, November 7, 1869. She was the eighth member of a family of thirteen. Her parents were of the pioneering stock that crossed the plains in the covered wagon. Being a member of such a large family Sarah soon learned the necessity of giving service and cooperating with others and also the necessity of being independent.

The family moved to south of Santa Ana when Sarah was very young. From this place the family lead a caravan in Southwestern Arizona where a large stock ranch was established. The ranch was in the path of Geronimo's Apache raids. The small children were huddled together for many nights while the Indians burned and destroyed the ranch property. Finally, the children were taken to Tucson for safety. The family could not recuperate their losses and so moved back to California, locating on a tract of land just across from the Norwalk Hospital.

About 1886 the Norwalk property was disposed of and the family moved back to Arizona where it located east of Prescott. It was here that Sarah met and married George Miller. From the untamed hills Sarah and her good husband carved a beautiful little home. To this home came a son, Worth Cuthbert and a daughter, Laura Maude. To this son and daughter Sarah was not only a mother but a playmate as well.

Late in December, 1899, Sarah and her little family came to California on their way to Oregon. They stopped to visit a sister, Mrs. La Rue, who lived seven miles out in the country west of Anaheim. The Millers liked the country so well that they never made the Oregon trip. Early in 1900 the family located on what is now known as the Old Miller Ranch on Miller Road. There were but a few ranch homes in the section at that time. Most of the ranchers were engaged in a small way in the dairy business; they transported their milk to the Lilly Creamery in Buena Park where most of the trading was done.

Sarah soon took her place as one of those who could be depended upon to lend a helping hand in time of sickness and disaster, to aid in social functions and to promote the welfare of the community. For a number of years she was one of the leaders in the Fraternal Aid Organization, an organization that was widely known for its social and goodfellowship functions.

She was one of the early members of the Buena Park Chapter of the Order of Eastern Star. She was very active in that organization for more than twenty years. She was an active member of the Cypress Community Club. It is only in the past few years that she allowed her activities to wane in community affairs.

(Continued on page 5)

Last Call! For Box Social

To enjoy yourselves next Saturday evening, all you have to do is attend the old-fashioned box supper at the schoolhouse. Ladies will fix a box which could win a prize for its exterior, and men will buy when Bob Faulkner, auctioneer, goes into his act for the Cypress Women's Community club affair. Teen-agers are especially invited, and the club has planned for a separate auction for them. See "Chit-Chat" for details.

There will be games and entertainment. The club will furnish coffee, and guests are asked to bring their own table service and silver.

Proceeds will be used for the club's donation to the Cypress volunteer fire department, which is buying a rescue wagon to carry the resuscitator and other first aid equipment.

The Santa Ana Junior college band, in which Miss Lois Swift plays the drums, won first place in the California School Band and Orchestra association music festival held in Santa Monica last Friday. Schools in Arizona, even competed. Each member of the group was given a medal.

Cypress VFW Install Jointly

Joint installation of officers for C. R. Rogers VFW Memorial post no. 9847 and its auxiliary were held at the schoolhouse Thursday evening. Charles Daniel was installed as commander of the post, and Mrs. E. E. Goodman for her second term as president of the auxiliary.

Many guests witnessed the ceremonies, among them Ralph McFadden, county supervisor and Mrs. Opal Walter, senior vice president of the California department of the auxiliary, with an estimated 200 present.

Seated with Daniel were Don Wedeking, senior vice commander; Leon Sewell, junior vice commander; Lawrence Plummer, chaplain; Harold Hall, quartermaster; Larry Kelch, adjutant; Bob Valentine, surgeon; H. J. G. Kreissler, post advocate and George DeLooft, trustee.

The Orange county drill team, composed of members from several of the cities surrounding Cypress, officiated. Mrs. Edna Clayton, second district president of the auxiliary, assisted by members of the Santa Ana auxiliary team, installed the women's unit.

Serving with Mrs. Goodman are Mrs. Ray Lucas, senior vice president; Mrs. Castella Rogers, junior vice president; Mrs. Charles Daniel, chaplain; Mrs. Leon Sewell, conductress; Mrs. Henry Muesse, flag bearer; Mrs. William Cowen, banner bearer; Mrs. J. E. Smith, guard; Mrs. Ruth Lockman, secretary; Mrs. H. J. G. Kreissler, treasurer; Mrs. A. R. Muesse, musician and color bearers, Mmes. K. E. Johnson, Ruth Pugh, Frank Buzzo and Malvern Blake.

Past commander and past president pins were given to Frank Buzzo and Mrs. Goodman. Mrs. Milam Williams was presented with a pin by Mrs. Les Chatham, district hospital chairman. She completed more than 150 hours of volunteer hospital service. Mrs. Castella Rogers accepted a posthumous award in her husband's name, C. R. Rogers, from Buzzo which was given for distinguished service.

A committee of auxiliary members, headed by Mrs. Henry Muesse, served refreshments at the conclusion of the formal ceremonies.

NOTHING BUT SMILES—for this season's bowling champs at Buena Park bowl in the Women's Wednesday night handicap league. Members on the Winning Triangle Drive-In team, Cypress, are (reading from left to right) Marie Hall, Reba Meyers, Kathy Guffey, "Mickey" Thomas, sponsor, Margaret Burton and Vi Wells.

IT'S SPRING, YOU KNOW

Now that the weather has settled down to the sunny California normal we are beginning to realize that spring is really here. And quite welcome, too!

That certain pleasant fever for which complete rest or a good baseball game is the only cure, and the far-away look which affects the eyes are common symptoms of the season. But it's also a time for a bit of doing on things that couldn't be done when it was rainy and cold.

The fence needs fixing and a little paint would brighten the house. Then there's the roof. That must be repaired before wet weather comes again. And as for the kitchen improvements, they're long past due.

Well, better get busy. There's no time like spring for clean up and fix up. Maybe you can't or dont' want to do all the work yourself but there are lots of able tradesmen ready to help. (Take a look at the ads). And if you're short of cash the bank will finance the work for you. Give you plenty of time to pay it back, too. All of which doesn't leave much excuse for not getting started.

There's always one sure compensation in improvements—the satisfaction and pride in our homes and our community. Nothing quite like it.—Calif. Commentator.

SIGNS OF PROGRESS

That new "dunker's doughnut" with the three-inch handle should take its place among the great modern inventions. But, just for the record we should check with Moscow at once and find out when THEY invented it.

SAVINGS AND TAXES

Just how great the income tax impact is on individual finances is indicated in a bank report revealing that total savings funds, which had been moving steadily upward for months, showed a sharp decline around March 15.

Of course, that shouldn't be so surprising since Uncle Sam's "take" at that period was one of the hardest pocketbook punches the public ever took. Then too, many people save especially for the quarterly tax payments and their accounts will show a decrease at such times.

Bank officials say that savings funds have now resumed their upward trend—a sign that many persons are putting aside all they can, probably not only for tax purposes but for the proverbial "rainy day". Only those who have been caught on such an occasion without an umbrella of cash know how tough it can be.

If you're not saving a part of your income each payday it's something to start thinking about right now. It does little good to start thinking about it when you're "all wet".

—Calif. Commentator

COUNTY COMMENT

By GEORGE E. HART

People are getting mad about flood control.

The League of Cities is mad about it. But not nearly as mad as the county flood control department.

The county flood control department isn't really mad about flood control. It's well satisfied with flood control, naturally. But it is mad at what the League of Cities said about flood control.

The League's remarks last week about demanding a grand jury investigation of flood control touched off some tempers at the courthouse.

The ex-mayor of Fullerton's complaint that Fullerton had received little flood protection compared to the large amount of taxes paid to the flood control district, produced amazement.

"What" gasped a flood control official. "Why, Fullerton has had the lion's share. Look at the Fullerton relief channel, as one item."

Other courthouse sources merely smiled at the League of Cities complaint. "Just looking around for some ammunition to shoot in the "free tax ride" case cities in the state are working up against the counties," they explained.

From the county's legal staff came the opinion that the League of Cities explanation that it is making no charge of malfeasance against the flood control department, has stopped the League cold, so far as the grand jury is concerned.

"There isn't anything else the grand jury can investigate," said County Counsel Joel Ogle. "The things the League talks about are entirely matters of policy of the Board of Supervisors, and where a question involves discretion of the governing board, the grand jury has no right to investigate."

The question raised by the League of Cities is purely a political matter and the grand jury has nothing to do with it," Ogle added.

In other words, if the League of Cities doesn't like the way the county supervisors are running flood control affairs, it must either go to the supervisors or to the voters.

* * *

This being election year, presumably some of these questions could be taken to the voters. Buena Park people are complaining that their Grand avenue flood problem isn't being taken care of, despite a state contribution of $40,000 to the job. (This seems to be a highway department matter, but still governed by the supervisors). Carbon creek's overflow made life miserable during the winter for the north Anaheim area and points west, and something must be done there, looks like. Possibly the Carbon canyon dam will be necessary.

Perhaps the most legitimate beef of all is that of San Clemente and Laguna Beach, this being aside from flood control works. These cities and their environs paid like the rest of the district for the $250,000 purchase of Colorado river water. All this water was spread in the Santa Ana basin, doing no good whatever for Laguna Beach, San Clemente and the south section.

Taxation without hydration. Or something.

Farm Bureau Officer Speaks To Kiwanians

Russ Hepler, assistant secretary of the Orange County Farm Bureau, told Cypress Kiwanians what his organization's functions and accomplishments have been at their Monday night meeting at Loyd's Drive-in.

Members were interested in one of the Bureau's major and most recent projects, the drive to get extended telephone service in Orange county.

Hepler said the latest development was that the local telephone company has been ordered by the Public Utilities Commission to have extended service for Orange county by January 1, 1954.

The Farm Bureau has been the major force in accomplishing this service, which will mean telephone subscribers could call any town in Orange county toll-free, with one or two exceptions.

Ralph Thomas was program chairman for the evening, and introduced the speaker.

Ladies' Night

President Dick Hathcock announced Monday night's meeting would be ladies' night and all wives or friends of members could attend.

A guest was Edward Faulkner, one of the current candidates for county supervisor.

Erwin "Frosty" Forst and Glenn Hubbard attended the Hot Rod and Motor Car show in Los Angeles last Sunday.

A LETTER TO THE EDITOR

(Ed's note: The following is reprinted, just as it was received, from the pen of a man who calls himself "Subscriber." Because of the personal nature of the information, we are respecting his request to remain anonymous, but feel that you, as readers, will enjoy the contents of his letter.)

Editor, Cypress Enterprise
Cypress, California
Dear Editor:

The other day while daintily dunking a doughnut, I overheard some neighbors talking about the boy scouts, and it came to my mind that I'd been reading in the paper more and more news about boy scout activities, and I found myself doing a Rip Van Winkle, and awakening remembering back to years long forgotten.

In 1910 I had returned, with my parents, from a trip to England, where my dad had spent a year or so on business.

While there, living with my cousins, a man, a General Baden Powell had just returned from the Boer war and started a boy scout movement. His idea was to form groups of boys into what he called "Scout Troops;" to train these boys to be good honest citizens, able to take care of themselves under any and all conditions. With my cousins, I joined the village troop, and General Powell came to our organization meeting.

For the next six months, I took part in all the activities of the troop, learning about fire lighting, knot tying, and trips to camp overnight and weekends.

When I came home to Buffalo, New York, naturally, I was full of my English experiences, started talking about the boy scouts, and was invited to talk to our young people at my Church.

To my surprise, another American was there who had also had contact with the English boy scouts by being helped in a fog.

The result of our meeting was that we organized a scout troop in our Church, one of the first in the United States; and the fact that there is still a very active group there yet, proves the sincerity of the movement.

I see by the papers, too, that our own Orange County is to play host in 1953 to a National Boy Scout Jamboree, and inasmuch as the national get together is held only every three years, we have both an honor and a responsibility thrust upon us. Try to realize what 50,000 boy scouts will mean next summer at Irvine Park Estates, and what a chance it will be for our own little troop to be among the hosts. I learn that the Cypress troop is Orange County No. 76. Let's put the "Spirit of '76" into the National Jamboree at Irvine next summer.

Yours truly,
Subscriber

HITCHHIKERS BEAT, ROB MAN, TAKE HIS CAR

Sheriff's deputies today are looking for two men who reportedly beat Francis S. Tucker, 61, of 7702 Walker st., Cypress, and robbed him of $50 and his car.

Tucker told officers he had been approached by the two men near a garage in Cypress and he agreed to give them a ride to Buena Park. They later changed their minds and asked him to go to Bellflower, he said. He agreed to go part way and started west on Orangethorpe Ave.

At Walker st., he said, one of them grabbed him by the neck and when he stopped the car they dragged him out and beat him to unconsciousness.

When he came to, he asked to be taken home. The two men drove past his home, pushed him out of the car as they went. The car later was found in front of a cafe in Los Alamitos.

CHRESTMAN HURT; ANOTHER KILLED IN BAD ACCIDENT

Tom Chrestman, 8531 Walker st., is a trucker, and mighty glad to be around today with only a scratched leg and chunk missing from the seat of his pants to show for a harrowing experience a week ago.

A refrigerator van, loaded with 22 tons of cottage cheese and Hill's Bros. coffee, moving at a rate reported at 100 miles an hour, crashed into the rear of the Chrestman truck about six miles north of Trader's Post, which is near Malibu on the coast highway. The driver of the van died before it caught on fire, death was that quick.

The truck is in a "pretty sad state," according to Chrestman.

Mr. and Mrs. Elmer McWilliams returned home last week from a four-day trip to historic points in Death Valley and Nevada. Mrs. McWilliams, who has always professed a strong dislike for the desert, was so enamoured with their tour, that the couple set out again this week for another go at it.

Cypress Team Winner In Handicap Bowling Handicap Bowling

POSTPONE MARBLE CONTEST; TO BE HELD NEXT SATURDAY

When the weather looked threatening last Friday, the VFW county officials sponsoring the school boys' marble contest, postponed the affair one week.

Cypress parents and friends are urged to be present at Maple school in Fullerton Saturday morning at ten o'clock. Taka Tanaka, seventh grade student, will defend his laurels in the VFW County council play-off. He has won two preliminary matches.

BANDITS CAPTURED BELIEVED WANTED IN LOCAL ROBBERY

Rickey's market in Costa Mesa was held up Tuesday night, a victim left bound, and $500 taken. Soon after, officers at the Los Angeles county substation in Norwalk called Orange county sheriffs, saying they were holding one David Keith, 30, of Santa Ana, who answered description of a bandit wanted in hold-up of Herbert Hunt's grocery at Lincoln and Grand avenues recently. They were not aware of the Costa Mesa robbery.

The same thing happened in the Costa Mesa robbery as had happened in the Hunt case, and also the time the Hide-out on Euclid avenue was held up and the victim left bound.

Keith divulged he was to meet his confederates at 10:30 Wednesday at a coffee shop in Santa Ana to split the $500 loot in the Costa Mesa robbery. The two confederates, Ralph Keith, 21, and Jerry Roman, 22, walked into the coffee shop at the appointed hour and were facing drawn guns of four deputy sheriffs and an FBI agent. They had $450 wrapped in a seaman's black 'kerchief. FBI wanted Ralph Keith as an army deserter. He is also under $2500 bail to appear in San Bernardino May 2 on a rape charge. They were also accused of the Hide-out and Hunt stores robberies and are wanted in Long Beach, Norwalk and Riverside.

The men carried guns stolen in burglary of a Garden Grove sport goods store. A number of other guns stolen in the robbery were sold in Mexico, officers learned.

Champion bowlers in the Women's Wednesday night handicap winter league at Buena Park bowl were members of the Triangle Drive-in team, sponsored by Mrs. John "Mickey" Thomas of Cypress.

With eighteen teams participating, the locals won 67 out of a total 72 games. Mrs. Thomas received the championship trophy at a presentation Sunday, April 20. The five women were each given a small trophy with their names inscribed.

In reporting in last week's paper the return of Dr. and Mrs. M. H. Damron from a holiday in the midwest, no mention was made of the fact that Mrs. Damron's sister, Mrs. Arnold Birt, accompanied them on their return trip home. Mrs. Birt is from Indianapolis.

COUPLE WED; WILL RESIDE IN CYPRESS

Following a honeymoon in San Francisco, Mr. and Mrs. James Allen Erickson have established their home at 4942 Lincoln ave.

Mrs. Erickson was the former Miss Mary Doris Pryor, daughter of Mrs. Ethel Landers of Santa Ana, and the bridegroom is the son of Mrs. Alida Erickson of the Lincoln avenue address.

The wedding took place in the Capilla de San Antonio with Rev. Daniel Rider of the First Baptist church of Santa Ana officiating at the double ring rites.

Mrs. James E. King was taken to Cottage Hospital in Fullerton Thursday morning. Her husband, Cpl. King, has been given an emergency leave and will spend thirty days here from Inchon, Korea. King is the son of Mr. and Mrs. R. O. King, 5332 Bishop st.

Mrs. Keith Giles and Mrs. Ivan Mahaffie, who attended the state P.T.A. convention in San Francisco, reported that they not only had a pleasant trip personally, but gleaned much information of interest to the organization by attending.

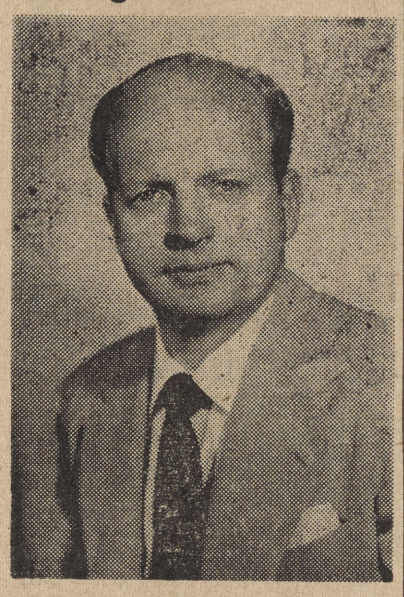
Faulkner Says: Disagree—Maybe; Disagreeable—No



Edward Faulkner

Orange county government is big business. I note that the Orange County Employees Association, arranging for D-Day, when employees will show government procedure to the people, says that county government is the biggest business in the county.

Orange county should be proud of its county employees. They give a very high type of service. Our county officials, too, are capable, most of them.

I wish to say this to county employees. I appreciate their fidelity to service and I want them to know that I have no intention, when elected Supervisor, to try to fire everybody and give their jobs to my friends. The employee who does his job well is my friend.

I also have this to say to county officials, particularly to the Supervisors from the First, Second, Fourth and Fifth districts. You will find that the new Supervisor from the Third district will cooperate with you, instead of obstructing you, in meeting the very complex problems being created by rapid growth. I may sometimes disagree, but will never be disagreeable.

County employees are right—county government is big business. It needs efficient business management or the taxpayers suffer. It is time the Third district gets in step with the rest of the county and sends a Supervisor to the Board who knows what to do and is willing to do it. Edward Faulkner fits that description. —Pol. Adv.

Native Daughter Passes Away

(Continued from Page 1)

In Mrs. Miller's passing, the community has lost one of the real pioneers, a good neighbor and a tireless worker for the betterment of the community and for humanity in general. There remains to mourn her loss her son, Worth C. Miller, the daughter, L. Maude Naybower, five grandchildren and nine great grandchildren.

Funeral services were held Thursday at 2:00 o'clock from the Renaker Funeral Chapel with Dr. Richleigh P. Crowley officiating. Eastern Star Services marked the interment at Graceland cemetery.

DEFENSE IS YOUR JOB, TOO!

ST. PIUS V CHURCH TO SPONSOR WEEKLY DANCES

Because of the many requests of non-Catholic as well as Catholic friends of St. Pius V Parish, a series of weekly Saturday night dances for the public will begin this Saturday night, May 3, 1952 at 9 p.m. to 1 a.m. in the Parish Hall, Orangethorpe and Grand Avenues.

The Cattlemen's Committee will be in charge of the dance program. The Melody Sisters who are well known for their enjoyable and danceable music will play for these dances.

The donation of fifty cents per person will include a chance on a door prize. The proceeds of these weekly dances will go entirely toward the church debt.

The public is whole-heartedly welcome to attend these enjoyable Saturday night dances.

Building Permits

Cypress had one permit, a $1200 residence addition for Paul H. Bell, 4832 Bishop st. Stanton had a $11,600 residence permit for William C. Scott, 7002 Thornton st., and $200 in miscellaneous permits.

Mrs. Clyde Thompson drove to Benson, Arizona, last Friday and returned on Monday. She visited her mother, who has been in ill health for several years. Mrs. Thompson's daughter and little granddaughter, Mrs. Joe Kurtz and Nanette, accompanied her. "C" and his son-in-law "kept shop" during their absence.

Why SOUTHERN COUNTIES Gas Company must have higher rates:

1. Present rates are lower than in 1938...
2. Yet the gas we buy costs us 44% more!
3. And wages cost us 120% more!
4. And Federal income taxes cost us 174% more!
5. And new construction costs us 114% more!

The increase we are asking is small in comparison

On April 23 Southern Counties Gas Company applied to the California Public Utilities Commission for a general increase in gas rates. If approved, it will be the Company's first system-wide increase *in over 30 years.*

Higher rates are necessary! Southern Counties Gas Company must have higher rates in order to 1) maintain dependable service and 2) to keep up with Southern California's growth. Present rates are less than in 1938, when all prices were low.

COST OF LIVING INCREASES SINCE 1938
Latest figures U.S. Bureau of Labor Statistics on food, home furnishings, clothing, cost of living in the Los Angeles area
FOOD UP 141%
HOME FURNISHINGS UP 95%
CLOTHING UP 91%
COST OF LIVING UP 86%
7 13 PRESENT AVERAGE GAS RATE* 7% LOWER THAN IN 1938.
PROPOSED AVERAGE RATE UP ONLY 20%
*For residential service only

The money for new mains, new meters and other new equipment we must have to grow with Southern California comes from private investment. To attract these necessary investor dollars—$9,800,000 in 1952 alone—our earnings must compare favorably with those of other enterprises.

Look how your other costs have risen since 1938:

Food is up 141%. Home furnishings are up 95%. Clothing is up 91%. The *overall* cost of living is up 86% Yet you are now paying less for gas than you did 15 years ago. And the increase we are seeking amounts to only 20%.

Under present rates, the typical residential customer on our system pays a year-round average of only $4.42 a month for cooking, water heating, house heating and, for many customers, refrigeration as well. The proposed rate will add only 88¢ a month or 3¢ a day to the present average. *What else has gone up so little in so long a time?*

Whatever rate may be granted, gas will still be your household bargain.

We hope you understand and approve our request for an adjustment in our rates.

SOUTHERN COUNTIES GAS COMPANY

OPEN HOUSE BIG SUCCESS AT SCHOOL

School officials expressed deep satisfaction following Tuesday evening's "open house". Celebrating Public School's wee,k the invitation to parents and friends to visit the local elementary school, see the exhibits and get acquainted with the teaching staff met with wide success.

About 400 took advantage of the opportunity to visit the school, according to Miss Elizabeth Dickerson, superintendent.

Ask Parents To Register Kindergartners

Deciding factor as to which side of town will be awarded morning kindergarten hours when school convenes next fall will be decided with the annual pre-school registration Wednesday, May 14.

To be eligible to enter, a child must have been born on or before the first day of December, 1947. Miss Elizabeth Dickerson, superintendent of the Cypress elementary school, asks that mothers bring birth certificates with them.

Those living on the east side of Walker st. will register at 10 a.m. and those on the west side of Walker at 1:30 p.m. While the parent is occupied, the boys and girls will be taken to the kindergarten rooms to get them acquainted and help them to feel more at home when they do start school next fall.

Harry Manns, brother of Mrs. Earl Sartwell, is recuperating in Long Beach at the home of his daughter, Mrs. Lela Bryson, from injuries he sustained in an auto accident. He suffered two fractured ribs, and bruises and cuts on the face. The car, which belonged to Manns and was being driven by his nephew, was a total wreck.

Patty Saylor Has Birthday

Patty Saylor was thirteen Saturday. Her parents, Mr. and Mrs. Elmer Saylor, assisted by her sister, Miss Joanne Saylor, invited twenty-six young friends to share in the evening's festivities at their home, 5612 Bishop street.

Games and dancing were the order of the evening. And when it came to having a good time, this was attested to by the fact that vital statistics in the food division showed that the youngsters consumed about 100 hot dogs, 3 cases of Cokes, a couple of gallons of ice cream and a large sheet cake.

NOTICE

Lives of very small children who run into the streets are constantly being endangered. This is especially true in crowded sections of town, such as Cypress Manor.

Instances have been reported by the school bus drivers, particularly. Although they drive with utmost care, it is the unexpected which might occur, such as the darting into the street of small fry who run to join older children or other preschool children on the other side. Help protect our school bus drivers and other motorists from unavoidable accidents. Keep small children out of the streets.

GUESTS ENTERTAINED BY MRS. M. DYER

Mrs. Mabelle Dyer entertained a few friends in her home at Cypress Cottages last Saturday. Following an evening of pleasant conversation, the hostess served refreshments. The realization that the change to dalight savings made the time an hour later than it appeared on the surface sent guests scurrying to their homes at a late hour.

Bidden were Mr. and Mrs. T. C. Nelson, residents at Cypress Cottages, Mrs. Cecile DeMack, Mrs. Rena Switzer, Mr. and Mrs. Burt Kroesen and Miss Beth Kroesen.

POLITICAL ADVERTISEMENT

Glen McCloud Says

Citizens in coastal counties of California such as Orange county are getting tired of Federal "grabs" such as the attempt to control tidelands under which there is oil.

Traditionally, tidelands are under the jurisdiction and control of the State. This contention has been borne out by a recent decision of the World Court when titles were corrected in several of the Scandinavian countries.

At the present time, oil royalties are piling up in escrow while the Federal Government and its Justice department attempts to obtain the money rightfully due to the State of California.

This is one more example of the need for level-headed men in Government. Your Representatives in the Legislature must tirelessly work for the best interests of those whom he represents.

Now, above all, honesty and integrity in Government from the lowest level to the highest, is the answer to the forces which are seeking to undermine our American Way of Life.

VFW TEAM WINS, LOSES A GAME

Paul Sanchez won his no-hitter for Los Alamitos Merchants with a two-run double in the fourth inning to defeat Cypress VFW, 3-2, in the opener of a practice doubleheader in which Cypress defeated Stanton Merchants, 12-4, in the nightcap, last night at City Park.

The Vets' bats took advantage of a second opportunity and smashed 12 hits. Catcher Gilbertson paced the attack with a round-tripper, and two doubles to drive in six runs and score three himself.

Harold Pugh, 9242 Walker st., sustained serious back injuries while moving some things in the garage at his home about two weeks ago. He has been confined at home during that time.

Mrs. Ruth Pugh, postmaster, has enjoyed a week's vacation from her duties. She drove to Bakersfield and on to Lindsay and Tulare where she visited friends and relatives before returning home.

'Chit-Chat from The Teeners'

By Gloria McKinzie and her helpers

Tomorrow night in the Cypress school cafeteria there is to be a box supper. All of you teenagers are invited to come. It is being sponsored by the Women's Community club of Cypress to help raise money for the Fireman's Rescue Truck. If you kids don't go you'll be missing out on a lot of fun because games are to be played after the meal. All you girls have to do is bring a full meal for two and a prize will be given for the prettiest box. Bring your own plates and silverware. Teenage boxes will be raffled off separately.

ROY MAYPOLE, popular KTTV Television star will handle the Television show at the Long Beach Community Fair on Saturday, May 10th. The Fair will be televised from 3:30 p.m. to 5:30 p.m. and will feature a huge Nine Division Kiddy Costume and Pet parade. The last hour will spotlight local talent in a new program called "Future-Visions on Television" where a winner will be selected to appear the following Saturday at another Community Fair. Those interested in appearing on the Television show either in the parade or talent show should contact Long Beach Community Fair Headquarters Room 211, Wilton Hotel, Long Beach 2, or phone Long Beach 700-905 and the Fair Headquarters will mail you an entry blank.

ATTEND MEETING SUNDAY IN INDIO

When four desert posts and auxiliaries of the Veterans of Foreign Wars held a mass installation last Sunday in Indio, members of the Orange County drill team of the VFW assisted. Mr. and Mrs. E. E. Goodman, Lee Shear and H. J. G. Kreissler went on Saturday and stayed overnight. Mr. and Mrs. Wm. Cowen, and Mr. and Mrs. Leon Sewell drove down Sunday.

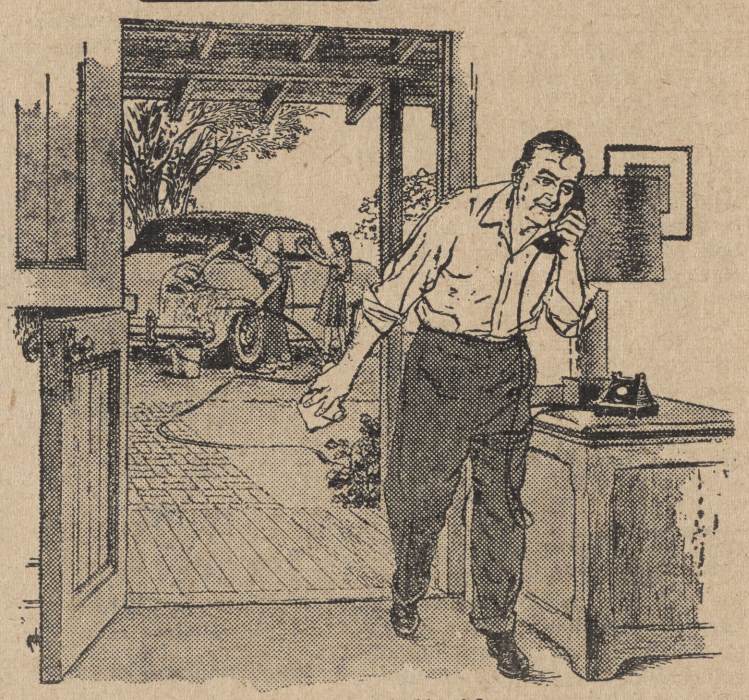
How to make good telephone service even better . . .



You'll complete more calls if you
...always give your friends a full minute to answer

You know, people can't always get to the telephone to answer it the moment it rings. They may be busy in the garage, or the basement, or some distant part of the house. That's why you'll so often save yourself the disappointment of an incompleted call if you give them plenty of time to answer . . . at least a full minute. You'll not only often save yourself the inconvenience of calling again later, but waiting those few extra rings is a courtesy your friends will appreciate when they can't answer immediately.

this free booklet for the local and long distance telephone numbers you call most often is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office.

Pacific Telephone
